

COOKIE POLICY

(updated version of March 24, 2021)

The Partners of the Sircle Project, i.e. Consulnet Italia S.r.l. and Rödl & Partner Associazione Professionale, as joint data controllers (hereinafter, "Joint controllers"), provide you with a series of information relating to the methods of "use" of your personal data collected through the cookies used by the website www.progettosircle.it (hereinafter, "Site").

1. WHAT ARE COOKIES?

Cookies are small text files that are saved on your electronic device (PC, tablet, etc.) while browsing a website and that provide certain information ("Cookies"). Cookies are then sent back to the original website during each subsequent navigation, or they are sent to a different website that is able to recognize that specific cookie. Cookies act as a memory for a website, allowing the website to recognize your device at each subsequent visit to that same site. Cookies also allow you to store your browsing preferences by offering you a more functional experience of the Site, and making the content of the site as personalized as possible.

Web browsers allow you to exercise some control over cookies through your browser settings. Most browsers allow you to block cookies or block cookies from certain sites. Browsers can also help you delete cookies when you close your browser. However, you should keep in mind that this could mean that any opt-outs or preferences you have set on the site will be lost. Please read the technical information relating to your browser for instructions. If you choose to disable the Cookies setting or if you refuse to accept a Cookie, some parts of the service may not function properly or may be considerably slower.

2. TYPES OF COOKIES

Cookies can be technical, analytical and profiling.

2.1. Technical Cookies

Technical cookies allow us to improve your navigation and to provide you with all the services offered by the Site. In particular, the Site uses the following technical "session" and persistent proprietary cookies:

Cookie	Expires in	Description and supplier
_gat	10 min	Provided by Google.com and used to speed up page loading times by limiting the frequency of requests. To find out more, please refer to the supplier's Privacy Policy.
YSC	End of session	Provided by YouTube and used to show the videos on the page. To find out more, please refer to the supplier's Privacy Policy.
Visitor_info1_life	6 months	Provided by YouTube and used to measure bandwidth and determine the available interface. To find out more, please refer to the supplier's Privacy Policy.
viewed_cookie_policy	1 month	Used to display the information on the use of cookies.
cookielawinfo-checkbox-non-necessary	1 month	Used to display the information on the use of cookies.
cookielawinfo-checkbox-necessary	1 month	Used to display the information on the use of cookies.

2.2. Analytical Cookies

Analytical cookies allow us to analyze how you browse the site in order to help us improve your browsing experience. In particular, the Site uses the following analytical cookies:

Cookie	Expiry	Description and supplier
--------	--------	--------------------------

_ga	2 years	Provided by Google.com and used to distinguish users by assigning them a randomly generated number as a client identifier. To find out more, please refer to the supplier's Privacy Policy.
_gid	24 hours	Provided by Google.com and used to distinguish users. To find out more, please refer to the supplier's Privacy Policy.
AMP_TOKEN	From 30 seconds to 1 year	Provided by Google.com and used to retrieve a client ID from the AMP client ID service. To find out more, please refer to the supplier's Privacy Policy.
gac<property-id>	90 days	Provided by Google.com and used to collect information relating to the campaign for the user. If Google Accounts are linked, the Google Ads Site Conversion Tags will read this cookie unless you disable it. To find out more, please refer to the supplier's Privacy Policy.
GPS	1 day	Provided by YouTube and used to collect information relating to the use of the videos on the page. To find out more, please refer to the supplier's Privacy Policy.

2.3. Profiling cookies

The Site does not use profiling cookies.

3. HOW TO CHECK AND DELETE COOKIES

You can authorize the use of Cookies by accepting the Banner. You may not authorize the use of cookies or otherwise disable them at any time by manually changing the configuration of your browser and following the instructions contained in the cookie managers' policies.

How to disable cookies:

Warning: the provision of data is optional; however, please note that refusing / deactivating cookies may prevent you from using some features of the Site.
